

Contractors Environmental & Safety Declaration

As the duly authorized and designated representative and agent of _____, hereinafter referred to as the "Contractor", I hereby certify and agree for myself and for and on behalf of the Contractor that:

- 1) I have read and understood the attached Process Equipment Company Contractors Environmental and Safety Guidelines, that I am familiar with safety requirements contained in the Code of Federal Regulations (CFR) 1910 (OSHA) and/or State Occupational Safety and Health Regulations; and that the Contractor and the Contractor's agent and employees will comply with said rules and regulations; that
- 2) I have been advised and instructed by Process Equipment Company concerning working conditions including hazards, if any, involved in the job and/or job location in which the Contractor and Contractor's agents and employees will be working or present;
- 3) I have already instructed or will immediately instruct all such agents and employees with respect to above safety rules and regulations and specific working conditions and hazards and the proper safety precautions to be observed in regard thereto; that
- 4) All necessary, adequate, and operative protective clothing and equipment have been or will be immediately issued to all such agents and employees, together with full instructions and training of such clothing and equipment, use; that
- 5) Requirements, including clothing and equipment will be put into effect; that all such agents and employees will be properly supervised to ensure compliance in the use of protective clothing and equipment and in the strict observance of Contractors Environmental and Safety Guidelines, and that
- 6) The following check items were among other items but without limitation, specifically covered in the Contractors Environmental and Safety Guidelines:

- | | |
|---|---|
| <input type="checkbox"/> Protective Clothing | <input type="checkbox"/> Lock Out/Line Breaking |
